Letter from E.W.Bouchier Esquire. I.C.S.. Special
Assistant Settlement Officer in charge. Party No. IV, Mangalore
Ref.A-2-No.588/33-19, dated the 22nd June 1933.

In their order no.Misc., 58 Revenue dated the 10th
January 1933, communicated with the Board's endorsement No.
304 Misc., dated the 27th January 1933, the Government
sanctioned the employment of the Special staff on the follow-
ing grades of pay for the supplemental survey work in the
South Kanara District.

Deputy Surveyors on Rs.35/- per month.
Field surveyors on Rs.22½ per month.
Draftsmen on Rs.25/- per month.

In G.O.No.311 Public (Services) Department, dated 13th April 1933, the revised scales of pay for permanent posts were - prescribed and in Board's Reference No.F.1363/33-1 dated the 21st April 1933 communicating the G.O. proposals were called for by the Board for revision of pay of the temporary establishment in the Settlement Parties. The proposals were submitted to the Board in this office reference No.B-1-1362/33-1 dated the 9th May 1933 and orders are awaited. The Director of Survey who was requested to intimate if similar proposals were made by him for the temporary establishments in the - Survey Parties, states that no revision of pay was proposed by him with regard to the Deputy Surveyors and Field Surveyors as the temporary staff in the field grades has been abolished from 1st April 1933, that he has proposed revised scale of pay for the temporary draftsmen only and that the latter scale of pay has not been given effect to as there are no draftsmen entertained for the first time on or after the 13th April 1933. According to the revised scale of pay proposed by the Director of Survey for draftsmen, the lowest grade on Rs.25/- per month (the only grade of draftsmen sanctioned for the special ^{Survey} Staff) is not affected.

2/ Paragraphs 6 and 7 of the rules printed in G.O.No.311 Public (Services) Department, dated the 13th April 1933 lay down the procedure to be followed in fixing the scale of pay, but so long as the revised scales of pay for the temporary posts in the Survey Parties have not been fixed, I think there is no objection to the Deputy Surveyors and Field Surveyors being given the scales of pay sanctioned in G.O.No.Misc., 58, Revenue dated the 10th January 1933. Moreover, even if the rules printed in G.O.No.311, Public (Services) Department dated the 13th April 1933 are made applicable to the Special Survey Staff, their pay is not likely to be affected as most of the staff were employed in the Government service before 15th August 1931 in a substantive, officiating or temporary capacity and were

It will be seen that Deputy Surveyors on the special staff are on the minimum of the old scale for Deputy Surveyors in the regular staff, that the pay of Field Surveyors in the special staff is the same as the old pay for the II grade Field Surveyors in the regular staff, while the Draftsmen on the special staff are on a special rate of pay. Temporary posts are temporary additions to the appropriate cadre. When the regular scale is revised the revision will also affect the temporary posts on the minimum of the regular scale. The case of Deputy Surveyors ^{Field Surveyors are} is therefore covered by para.3 of G.O. No.311 Public dated 13-4-1933. The ~~7~~ Field surveyors on the special staff will get Rs.21, the revised scale for II grade Field Surveyors on the regular staff. The pay of existing incumbents will be governed either by rule 5 or rule 7 or the rules issued in the above G.O. As regards Draftsmen in the special staff they are on a special rate of pay. G.O.No.311 Public dated 13-4-1933 does not cover their case. The question of fixing a revised scale for them should therefore be taken up separately by Rev. with Finance.

Revenue may be requested to amend the draft suitably and ~~they may be asked~~ to communicate the decision to this department for issue of necessary rule.

The question for consideration is whether the scales of pay sanctioned in G.O.58 Rev.d. 10-1-33 for the following classes of posts should be revised:

- (1) Deputy Surveyors. Rs 35.
- (2) Field Surveyors. Rs 22:
- (3) Draftsmen. Rs 25

2. Please see the Pub(Ser) Dept.notes on pp.2-3 ante. As pointed out by Pub.(Ser), the revised scales of pay sanctioned in G.O.311 Pub(Ser) d.13-4-1933 for Dy.Surveyors and Field Surveyors, II Grade, will apply to the posts on the temporary establishment - see para 3 of G.O.311 Pub(Ser) d.13-4-33. The existing incumbents, if they had entered service before 15-8-31, will be protected and they will draw the old scales of pay.

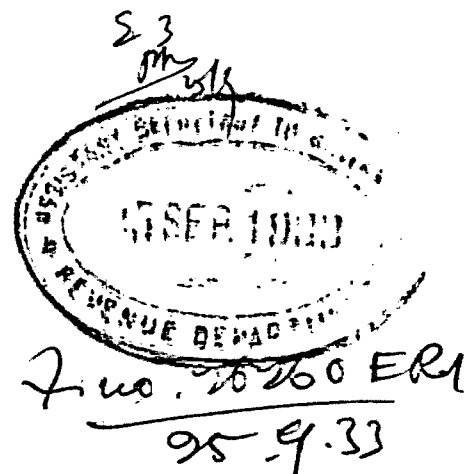

As regards item (3), draftsmen, the pay of Rs 25 is fixed as special to tempy. draftsmen in Survey parties. The question of fixing revised scales of pay for tempy. staff in Survey parties is separately under consideration in Rev. Until the revised scales are fixed, the draftsmen on Rs 25 will continue to draw that pay.

The file may be returned to Revenue with the above remarks.
